Mr. Alsafer, Mr. Barr, Dr. Dickey, Mr. Gilliam, Dr. Johnson, Dr. Knight, Mr. Lewis, Dr. Modin, Mr. Ogden, and Mr. Parimore

Aims of Business

Courses in Business Administration are designed to create general appreciation of business relationships, to develop techniques in accounting and business administration leading to upper-division courses and to meet the curriculum needs of those desiring to enter schools of advanced standing leading to their respective degrees in Business Administration.

General Requirements

Entrance Requirements

The following minimum requirements must be met for admission to the Business BS program:

- Submission of a written notification to the chairman of the Business Department.
- Selection and assigning of a Business program academic advisor
- An interview with the department chair may be requested.

Total Semester Hours

Students majoring in Business Administration, Business Administration with Specialization in Management Information Systems, or Business Administration with Specialization in Sport Management must complete a total of 121 semester hours of accredited college work, excluding physical education activity credit hours.

General Education Requirements

Complete the 36 hours of General Education core course requirements including natural science and the physical education requirement.

Quality of Work

A minimum 2.5 GPA in business courses and 2.25 GPA overall is required for the Bachelor of Science in Business Administration, Business Administration with Specialization in Management Information Systems, or Business Administration with Specialization in Sport Management.

Daily Bible Requirement

All students must take a Biblical Literature course each day that they take classes on the Florida College campus. Campus resident students must take a Bible course each day.

Residency

Students must complete 36 hours of their upper-level work at Florida College. The Strategic Management (Capstone) course must be completed at Florida College.

Major Field Test

Students must take the Major Field Test (MFT) in the last semester of their senior year. The MFT is given as a part of the Strategic Management (Capstone) course.

Graduation Ceremony

Candidates must participate in graduation exercises in the year of completing their other requirements. Any exception must be cleared with the Academic Dean of the College.
