FLORIDA COLLEGE

Move-Out Policy

Florida College resident students,

Due to the stay-at-home orders that were issued by the governor of Florida and by the Hillsborough County Emergency Policy Board, our residence halls have been closed since spring break, and students have not been permitted to return to campus to retrieve their belongings. At this time, those orders are still in effect. However, as we anticipate that these orders may be lifted in the very near future, we are happy to share with you our plan for a safe and orderly move-out process.

Students will be required to schedule a move-out date and time. To maintain social distancing on campus, we will be limiting the number of students allowed in the residence halls at one time. Therefore, you will be permitted to move-out during your selected date and time only. The move-out scheduling form will be made available as soon as we know when our stay-at-home orders will be lifted.

To minimize crowds, residents will be allowed to bring no more than two people to assist with their move-out and will have four hours to complete the express checkout. Move-out times will be available on Monday through Saturday from 8 a.m.-12 p.m. or 1-5 p.m. and on Sunday from 1-5 p.m.

As soon as each student has removed all of their personal items from the residence hall, they will check-out with their residence hall supervisor, return their key and receive their yearbook. At this point, students will be required to leave campus so that others can retrieve their belongings. Due to health concerns, we will not be able to allow any gatherings or socializing during the move-out process. We appreciate your cooperation in these matters.

We will share the dates for move-out and will send the links to the move-out scheduling form as soon as we have that information. Any questions may be directed to the dean of students office. Thank you.
